_____)	

Plaintiff filed a stipulated motion for extension of time to file the opening brief. (Dkt. 13) Plaintiff seeks a 42-day extension, which is longer than the court typically grants, even when a motion is stipulated. In this case, the parties move for the 42-day extension to accommodate plaintiff's counsel's workload and defendant's counsel's previously planned travel plans. Taking this into account, and the overall position of this case on the calendar, the court GRANTS plaintiff's stipulated motion. The deadlines for the briefing are scheduled as follows:

Plaintiff's Opening Brief:	June 20, 2011
----------------------------	---------------

Defendant's Responsive Brief:	July 18, 2011
-------------------------------	---------------

01 Plaintiff's optional Reply Brief: August 1, 2011

02 **Any future stipulated motions for extension filed by either party will be considered in**
03 **light of this longer extension time period. The parties should not expect that the court**
04 **will grant a full 30-day second extension in this case.**

05 DATED this 11th day of May, 2011.
